

# Student Absences

## **To report your child's absence:**

**Call (317) 594-4130 (voicemail available 24 hours per day)**

--or--

**Report the absence in School Dismissal Manager**

While an email to your child's teacher is helpful, sometimes that message doesn't get to the office staff by the time we are working to complete our attendance procedures.

*Just a reminder:* Per the HSE District Handbook, students must be fever and vomit free for 24 hours (without the assistance of medicines) before they can return to school.
