

Car Riders

The easiest and most efficient way for your children to get to and from school is the district provided transportation. Our busing system is set in place to transport all NBE students safely and efficiently.

If your student needs to be a car rider more than occasionally and you have not yet received a car tag, please email Michelle at mayres@hse.k12.in.us with your name, your student's name and your 4 digit FastLane number to get your car tag.

Please hang the car tag from your rear view mirror each day to help expedite the pick-up process.

Thank you to all families that have been consistently using the car tags for pick up. It seems to have helped speed up the entire process!
